Subject: Parents tourist visa for Israel trip

Dear Sir/ Madam,

I am a student (passport #U5247844) at Weizmann Institute of Science (WIS) currently pursuing my Post-Doctoral studies. I am living with my husband (passport #M6191193) in Rehovot who is also currently pursuing his post-doctoral training at Weizmann Institute. I wish to inform you that my parents (mother's passport #M4152302; father's passport #M4099168) would like to visit us in May 2023 for a month and during their stay, they would reside in our accommodation at 81, Derech Yavne, Rehovot. Should you need any clarification, please do not hesitate to contact me.

Yours sincerely,

Vinithra Iyer
