Sub: Tourist Visa for Israel Trip.

Dear Sir/Madam,

My wife and I would like to travel to Israel to meet our daughter and son in law, post Doctoral Fellows at Weizmann Institute.

Our passport details are M4099168(myself) and M4152302(wife).

I am currently retired and my wife is a housewife. We wish to travel to Israel for a duration for approximately 40 days with travel dates being 07th May 2023 to 11th June 2023. Whilst our visit, we would be accommodated at 81, Derech Yavne, Rehovot. The invitation letter and travel details are enclosed herewith.

Towards this, we would like to apply for B2 tourist visa.

Looking forward to our trip.

Yours faithfully,

Ganesh Narayanamurthi
