Subject: Visa Application

Dear Sir/Madam,

I am writing to request a single-entry visa to Israel for my upcoming trip. I am a freelance employee of Unforgettable Israel Ltd. (registration number 515662112) based in Israel, and I have been working remotely from India for the past 1 year and 11 months. As my work is based entirely on providing a traditional and authentic experience, it is crucial for me to familiarize myself with the landscape, culture, tours and people I work with in Israel. I am planning to visit Israel for a duration of 2-3 weeks, from 13th April to 4th May, and my visit has been arranged by Netanel Cahn (ID number 302221106), the owner of Unforgettable Israel Ltd. at 38 Nisim Bachar St., Jerusalem.

I am enclosing all the required documents for my visa application, including a 4-month bank statement, confirmed return tickets, and a copy of my passport. Additionally, I have an invitation letter from my employer.

Thank you for considering my application. Please let me know if you require any further information or documentation.

Yours faithfully,

Meghana Satish Nair (Passport number: RO563077)
