To the Consulate of Israel in Mumbai, India:

I, Netanel Cahn (ID number 302221106), the owner of Unforgettable Israel LTD (registration number 515662112), am writing this invitation letter for Meghana Nair (P.N. R0563077) to visit Israel for tourism in April 2023.

Meghana is a personal friend whom I met during my visit to India in 2020, and officially joined our company as a consultant in April 2021.

We invite Meghana to visit Israel and request your approval to provide her with a tourist entry permit, as she has been working daily with us in marketing and organizing for two years at Unforgettable Israel LTD.

We see significant value in her coming to Israel so that she can meet the people, environment, and customers she works with daily.

Additionally, since Unforgettable Israel LTD deals with content services in the tourism industry, it is important for us not only to familiarize her with the country's tours and visits, but also for her to personally experience the landscape and sites in Israel.

This visit will greatly contribute to her continued contribution to the sales and marketing process while working remotely. Her stay in Israel will be for a period of 2-3 weeks.

Meghana will be staying at 38 Nisim Bachar st, Jerusalem for the duration of her stay.

Sincerely,

Netanel Cahn
