

March 7th, 2023

TO WHOM IT MAY CONCERN

This is to confirm that the Open University of Israel has invited **Prof. Tirthankar Roy Choudhury**, holder of Indian passport n. Z3944857, to participate and give his contribution to an international conference entitled "**Neutral Hydrogen as a Cosmological Probe Across Cosmic Time**" that will take place on **May 15th-19th, 2023** in Nazareth.

The conference is organized by the Astrophysics Research Center of the Open University (ARCO) and funded by the Israel Science Foundation.

Sincerely,

Leora Azoulay
Director, Research Authority
