**Sub: Request for issuance of Multi – Entry Israel visa for Mr. Karande Tushar Premchand**

Respected Madam/Sir,

We would like to introduce ourselves as global leader in smart irrigation solutions for sustainable future. With 29 subsidiaries, 17 manufacturing plants and 4,300 employees worldwide, Netafim delivers innovative solutions to growers of all sizes, from smallholders to large-scale agricultural producers, in over 110 countries. Founded in 1965, Netafim pioneered the drip revolution, creating a paradigm shift toward low-flow agricultural irrigation.

Today, Netafim provides diverse solutions – from state-of-the-art drippers to advanced automated systems for agriculture, greenhouses, landscaping and mining, accompanied by expert agronomic, technical and operational support. Specializing in end-to-end solutions from the water source to the root zone, Netafim delivers turnkey irrigation and greenhouse projects, supported by engineering, project management and financing services. Netafim's market-leading solutions are helping the world grow more with less.

Netafim Irrigation India PVT LTD is Indian Subsidiary of Netafim LTD, started operations in 2001, have two manufacturing plants & staff strength of 1000 employees with 10 locations within India.
