Passport and visa / transit visa

Remember to bring your passport and any visa or transit visa you might need on your trip. Important! When you purchase hold baggage on flights within North America, you receive a free check-in service. To avoid further fees, we recommend that you print out the boarding card before you travel to the airport.

Important information: We're looking to make your travel less stressful and will send emails with information relevant for your trip, including for example offers to add baggage or book seating at attractive prices. The offers will only be sent prior to your trip. **If you do not want to receive these emails, [click here](#).**
