Respected Sir,

I am Maitreya Mohan Sahoo, bearing passport number U5449199, a Ph.D. student (in the completion stage) from the Indian Institute of Technology Bombay (IIT Bombay), Mumbai. I have received an invitation for a postdoctoral research and further studies at The Hebrew University of Jerusalem. The study programme is of one year duration starting from 1st October 2023 to 30th September 2024. I want to apply for an A2 student visa to join the University for the mentioned programme.

Along with producing all the necessary documents, that are provided in the checklist for the visa application, I have provided my resume with my educational background. I wanted to mention that I had previously been to Israel from April 2021 to May 2022 for an academic scholarship programme at the Hebrew University. The postdoctoral research is funded by the University as described in the invitation letter. Further, I also have sufficient funds available with me to meet the expenses in Israel (bank statement attached). I am fully vaccinated against COVID-19, and in a state of good health to carry out the activities as required for the research programme.

Through this letter, I request you to kindly consider my application for the A2 student visa, so that I can join the University for the above-mentioned programme.

I currently stay inside the IIT campus and can be contacted by email: maitreyaiitb@gmail.com or by phone: +91-7873465755 if further information is required from my end.

Thanking you.

Yours sincerely,

Maitreya Mohan Sahoo
