

Dear Sir/Madam,

I am writing to confirm my relationship with Soe Myat Kay Khaing and to request that you consider her visa application to enter Lebanon.

I am a Canadian citizen and I have been in a relationship with Soe Myat Kay Khaing for some time now. We have recently decided to take the next step in our relationship and get married in Lebanon. We have already rented an apartment and signed the rental contract, and everything is in order for our wedding.

We are both very excited about getting married in Lebanon and starting our lives together. We have planned everything carefully, and we hope that you will consider Soe Myat Kay Khaing's visa application so that we can celebrate our wedding in Lebanon.

After our wedding, I will begin the process of sponsoring Soe Myat Kay Khaing's spousal sponsorship to come and live with me in Canada. This process can take some time, but I am committed to making it work and building a life together with her.

I understand that obtaining a visa can be a complicated process, but I assure you that Soe Myat Kay Khaing has all the necessary documents and meets all the requirements for entry into Lebanon. She will abide by all the laws and regulations of your country and will respect its culture and customs.

I hope that you will consider our request and grant Soe Myat Kay Khaing the visa to enter Lebanon so that we can celebrate our wedding and start our life together.

Thank you for your consideration.

Sincerely,

Fahd Al Habeb
