Respected Sir/Madam

Subject: Issuance of tourist visa to Lebanon

I would like to apply for a tourist visa to Lebanon upon my intention to visit Lebanon from 10th December 2023 until 10th January 2024. The main objective of the trip is to go for tourism.

For this trip, I have been invited to stay with my friend, Ribal Saroufim - Lebanese passport holder LR2090200 who will bear my accommodation costs. I have known Mr. Ribal Saroufim from the last 8 years as we went to university in Spain together. Please see attached his invitation letter.

For my travel tickets, food and transportation, I will bear all the expenses. I am a self employed based in New Delhi. I am sure that I will return from your country before the expiry of my authorised stay as my primary place of work operation is in New Delhi, India and I am the sole heir of my parents who also reside in New Delhi, India.

I would request you to please consider my application for a tourist visa to your country.

Sincerely,

Ipshita Kumar
