Dear Ms. Rajan Narattil

I am pleased to inform you that the doctoral studies committee of the Sagol Department of Neurobiology has approved your admission as *stage A* doctoral student.

Your course of studies will commence on October 10, 2021.

The PhD program is set up to four academic years, therefore; you are expected to complete your studies by November 2025.

Please note that you are requested to submit your research proposal by October 2022.

- Notification: As a PhD student, you will be entitled to receive a tuition scholarship for a period of 3 years, pending on academic regularity. However, please note that you are required to pay additional 25% of the yearly tuition fees as well as the compulsory fees for each academic year.

I wish you success with your future work.

Sincerely yours,

Professor Lily Orland-Barak
Dean of the Graduate Studies

CC:

Prof. H. Kaphzan Chairperson of the PhD committee
Prof. M. Maroun, Supervisor
Ms. Y. Wodislavsky, Administrative assistant
