Ms. George
Student no.: 989891361
Passport no.: M8389530

Dear Ms. Tresa George,

I am pleased to inform you that the Authority for Research Students has decided to accept you as a PhD student (stage A) in the school of PHARMACY at the Hebrew University of Jerusalem.

In order to begin your PhD studies you will be required to present the original diplomas and records of studies at the Authority for Research Students.

Once you have presented the original documents, you are required to register for the academic year 2021/22, using the registration system – 'rishum-net',

<https://rishum-net.huji.ac.il/site/student/login.asp?CurrLang=English>

Your student number (please find at the top of this letter) will be used as an ID number on the system. Instructions on how to use the system - <https://www.youtube.com/watch?v=oucI-w8ngFk>

As of the academic year 2021-2022, some departments have added a requirement for the inclusion of compulsory courses as part of the doctoral studies. Please find additional information in the departmental course catalogue.

You are expected to begin your studies as a PhD student on **10/10/2021**. You are accepted under the supervision of Prof. Francesca Levi-Schaffer.

Stage A allows you a period of 18 months in which you shall prepare a research proposal and at the end of which you will present this proposal to your supervisor and your advisory committee for evaluation. On the approval of your proposal by the Authority for Research Students you shall be entering stage B, which allows you a period of up to four years in order to accomplish your research and write your PhD dissertation.

The research proposal should be submitted by - 10/04/2023.
The thesis should be submitted by - 10/10/2026.

PhD courses: While working on your dissertation, you will be required to attend 12 credit points amount of courses relevant to your research and pass each course with a grade of at least *75/100 (and an average of at least 80/100)*.

Annual registration: At the beginning of each academic year you will be required to register (using the course registration system "rishum-net") and pay the annual tuition. Please note that the annual registration process should also be done in years in which you do not intend to take any courses. The annual registration constitutes a condition for obtaining the status of a research student at The Hebrew University.

Personal site and Email box: As soon as you are accepted and complete the registration procedure, the Hebrew University sets for you a personal site as a student and an email box – both will serve you during your studies for information and communication with the University. Please note that all messages from the university will be sent to you at the university email address only. Please enter your personal site in order to activate your email box.
