Dear Honorable Consul,

I am writing to formally submit my request for a tourist visa on behalf of my parents-in-law, Yvonne Ann Katukaran and Jaisingh Johnson Katukaran, both residents of La Salette B501, Mundhwa-Magarpatta Rd, Kirtane Baug Hadapsar, Pune - 411028, Maharashtra, India. I am Jihad Abou Antoun, a Lebanese citizen residing at House 15, Daher Street, Houmal, Aley, Lebanon.

The primary purpose of this visa application is to facilitate their visit to Lebanon in order to spend time with me, my wife, Pearl Maria Abou Antoun, and our family during the summer season. My wife, Pearl Maria Abou Antoun, is an Indian citizen and a legal resident of Lebanon. We would like to warmly welcome my parents-in-law to celebrate their grandchild's birthday on September 22nd.

During their stay in Lebanon, they will be residing with us at the address mentioned above, and I will personally cover all their accommodation expenses. After their visit concludes, they will return to their residence in Pune, Maharashtra, India.

Enclosed, are the related documents. I kindly request your consideration and approval of this visa application, and I am at your disposal should you require any further information or documentation.

Yours sincerely,
Jihad Abou Antoun
