I invite you, my friend, to visit me in Lebanon and attend my wedding while you have vacation time off from working as a licensed psychologist in New Delhi, India. You will be attending my wedding on June 10, 2023. Also, we have planned for me to show you around Lebanon, the country I was born and raised in. I have attached my Lebanese ID.

You will be staying with me in my home location at the above-mentioned address.

Sincerely,
Sally Farah
